Dear Families

I do hope you enjoyed the glorious weather over the Easter weekend in spite of being in lockdown.

I thought it would be helpful to provide you with an update on Free School Meals as the information schools receive is ever changing.

If your child currently receives a benefit related free school meal you should receive a voucher from the government. However, there is a national problem in processing these vouchers and you may not receive it by Monday. There will continue to be packed lunches provided in case the vouchers do not arrive.

Please find attached further information with frequently asked questions and answers from the government website.

Do look after yourselves and please stay indoors!

Yours sincerely

Karen Fowler
Headteacher
