

Meet your Teacher!

Welcome to Year 6! I'm Kate and I will be your teacher next year!

We are going to have a great year. Year 6 will be a challenge but I'm new to it too so we're all in it together.

I hope you have a fantastic summer. I know I will be spending lots of time reading outside!

I can't wait to see you all in September. For now, stay safe and have a lovely holiday!
